

Adolescent Psychoanalysis Today: Experience and Innovation

Brent Centre 50th Anniversary Conference

**Friday 27th and Saturday 28th
October 2017**

Royal College of Physicians
London

The BCYP is bringing together experienced professionals working with young people to discuss and showcase efficient methods of helping disturbed adolescents.

This 2 day Conference, celebrates the 50th Anniversary of the Brent Centre and it will be an opportunity to share methods of best practice; increase the understanding of adolescent development and build international links between professionals in the field.

DELEGATE FEES :

Full rate £200

Concessions (Trainees) £95

Fees include access to the event on both days, conference papers, canapés, lunch and refreshments.

For registration and further information please visit:

<http://www.brentcentre.org.uk/conference-2017/the-conference>

or contact Laura Ramazzina or Emma Loft on (+44) 0207 328 0918

Clinical Group Supervision with senior Analysts including Dr. Robin Anderson, Dr. Ana Paulina Sauma and Mrs. Hannah Solemani will be organised for Friday afternoon or Sunday—further information to follow.
